**Notes**

1. Περί Φαρμακευτικής και Δηλητηρίων Νόμο (Κεφ. 254), Άρθρο 35Α 'Αναγνώριση συνταγών που εκδίδονται σε άλλο κράτος μέλος ή εκτελούνται σε άλλο κράτος μέλος', εδάφιο (β) "εκδίδονται στη Δημοκρατία μετά από αίτημα ασθενούς με σκοπό να εκτελεστούν σε άλλο κράτος μέλος".
2. Prescriptions are subject to the rules of the country where they are dispensed. This means that a pharmacist will apply national rules when dispensing your medicine.
3. This is the printed copy of an electronic prescription, only for cross-border dispensing in another EU country. In order to be valid, the prescribing health professional MUST (a) sign it and (b) put his/her professional stamp on the printed copy.
